

CSFF101 Series

A 3D perspective view of a black 1x16 pin header. The header is a long, black rectangular block with 16 square-shaped mounting holes along its top edge. From the bottom edge, 16 yellow pins extend downwards. The pins are arranged in a single row, with a small gap between the 15th and 16th pins from the left. The header is shown at an angle, highlighting its three-dimensional structure.

No. of Pins/Row	Dimension Information			No. of Pins/Row	Dimension Information			No. of Pins/Row	Dimension Information			No. of Pins/Row	Dimension Information
